In July of 2014, The New York National Guard Teen Council gathered for the 2nd Annual Teen Council Forum Trip. We had 20 teens from across New York and 6 Chaperones that attended the trip. I thoroughly enjoyed the New York City forum this year because it gave me a chance to meet the new members and bond with everyone. We got to learn a lot about some of our military’s history. The 9/11 museum was one of my favorite parts because I was very young when it occurred. I believe that 9/11 is a very important part of history for our country, and an event that really exposed our true strength.

The forum was very informative yet fun at the same time. I always look forward to the Teen Council Forum because I enjoy meeting new people and making new friends along with great memories. - Taryn Yargeau
It was an honor to join my Teen Council Members when we went on The Teen Council Forum to New York City. Not only was it a breath taking view, but we learned a lot about 9/11, the USO, Ellis Island, The Statue of Liberty, and so many other things! Being a new member of this program and not knowing a lot of people made me really nervous about this trip, but I made a lot of new friends.

Going to the 9/11 building impacted our group, and others a lot. Knowing that some of the members relatives helped during this tragic time also made me realize how much support they offered for people. Despite the sadness of this tragic day, it was so interesting to see the outcome, and seeing some of what my father, and the other military forces, police officers, fire fighters, and citizens saw. I felt so safe with the group I was with, and was so happy with the experience I got to share when I got off the train. Thank you Keri, Colleen, and Chaperones for an amazing trip! I loved it all!

Tori Webbe is 12 years old and lives in Rochester, NY. Her father, SFC Avery Simmons, recently returned from an overseas deployment with the Army National Guard. She received a grant to participate in the Bach Children’s Choir at Nazareth College. The grant has been a saving grace for Tori’s family, who has been through quite a lot in the past year. In addition to the stress that a deployment bring to a family, Tori has been admitted to the hospital multiple times due to her severe asthma. The chronic condition didn’t stop her from singing, and was the one thing that keeps her happy when she has an asthma attack. In addition to her medical needs, her family’s home caught fire in March, leaving the family with almost nothing. Tori lost all her sheet music and had no CD player, computer or radio to use to learn the songs for her performances. She still managed to keep up with the rest of the choir and was able to perform at the world renowned Carnegie Hall last spring. The deployment, hospital visits, and house fire created many challenges for Tori, but she persevered thanks to the grant from Out Military Kids. Music kept her spirits high and gave her the encouragement to move forward.

NYS Fact #1 - New York is the second-largest apple producing state in the country. Only Washington State produces more apples than the Empire State. Perennially, Michigan ranks third; Pennsylvania and California round out the top 5.

(Source: USDA National Agricultural Statistics Service, annual Non-citrus Fruits and Nuts Summary)

NYS Fact #2- Our state grows and markets more commercial varieties of fresh-market apples than any other region in the country. The top 10 varieties in terms of production are: McIntosh, Empire, Red Delicious, Cortland, Golden Delicious, Rome, Idared, Crispin, Paula Red, and Gala. (For a full list of the top varieties grown in New York, visit the Varieties section.)

Military Child of the Quarter

Adrianna Soucy, has been involved with the Child and Youth Program since 2010. Adrianna has been a general member on the Teen Council for the past three years, and is a very active member. She volunteers whenever we are in the western part of the state, and loves being around the other military kids. Adrianna is a member of the Amherst Youth Consortium (AYC), “Helping Hands” Program, Youth Engaged in Service (YES) for the Town of Amherst, and is a Girl Scout Ambassador. Adrianna plays on Church Softball, she is on her High School’s Varsity Volleyball team, Track team, and Plays bassoon in the Wind Ensemble. She is also a Cadet Airman in the Civil Air Patrol. Adrianna always puts her school work first, but any other spare time she has you can find her at the mall.
The Youth Program and Teen Council wouldn’t be what it is now without volunteers. This quarter we want to put the spotlight on three of these special people. Roger Townsend, Betty Eissfeld, and Erin Berry all took on the task of traveling to NYC with some of the Teen Council for the 2nd Annual Teen Council Forum Trip. Three days, two nights and over 22 miles of walking through the streets of NYC these three amazing people, still left smiling after another successful trip.

Roger Townsend has been a member of the Army National Guard since February 1984, and has been working at the DMNA Headquarters since 1990. Roger loves to go camping, but his one heartfelt interest he has is supporting the Yellow Ribbon Program and other Family Program functions. He says it is the most rewarding thing he does in his current career life. Roger has three children and two grandchildren, and has been recently married.

Erin Berry has been the Regional Program Manager for the Army National Guard Child and Youth Program for 2½ years. Before that she served as the Operation: Military Kids Youth Program Specialist for 4 years. Erin was a military kid herself, as her Dad was a Master Sergeant in the Army Reserve for 15 years. She now is a proud military sibling as her two bothers both attended the United States Military Academy (one graduated in 1998 the other to graduate in 2017). Erin also has a sister who just started at Shawnee State University. Erin has two dogs, Charlie and GigGi that she loves, and spends a lot of time with her family, especially her Mom. Erin likes to travel a lot, especially to the beach where she can sink herself into a good book.

Betty Eissfeld, or as many know her as “Miss Betty” is one of our Family Assistance Specialist in NYC. She is a long running member of Family Programs, previously served as the State Youth Coordinator in Washington State, and is one of our many proud Veterans. Miss Betty is always a favorite among the kids and teens, and assisted in planning the entire trip, and was the best guide that the Teen Council could ask for while we were in NYC.

The Military Mentoring Initiative

Big Brothers Big Sisters is committed to serving our nation’s military personnel and their families.

We recognize that the stresses of everyday military life lead to service men and woman searching for additional support for their children. We believe our mentoring program can help. In fact, we know that any family could benefit from their child getting to spend a few hours a week trying new things, getting more individual attention, and experiencing life through different perspectives.

The Big Brothers Big Sisters Military Mentoring program matches children (age 9-16) of military families with safe, screened, trusted mentors in one-to-one relationships that have the potential to last for many years.

We carefully match adult mentors and youth mentees in long-term friendships based on family and volunteer preference, similar interests and values, and match compatibility. We partner with families to identify the right Big for their child.

Our mentors are a diverse group of fun, incredible, dedicated volunteers. They resemble brothers, aunts, uncles, grandfathers, trusted neighbors. Their role is to be an unconditional friend and role model once a week, encouraging and supporting a child in reaching their potential and enjoying new experiences together.

Couldn’t every child use one more Mentor in their life?

You recognize the potential of your child better than anyone!

Since 2001, an estimated two million children have experienced a parent’s deployment to Iraq or Afghanistan. An often overlooked consequence of deployment is the anxiety kids feel before, during, and after the parent’s absence. MilitaryKidsConnect.org is a website specifically designed to enhance the resilience of military children of all ages throughout the deployment cycle.

**Military families: A national priority.**

On January 24, 2011, President Obama released the final report of Presidential Study Directive-9 (PSD-9), *Strengthening Our Military Families: Meeting America’s Commitment*, which enlisted the support of his Cabinet Secretaries and other agency heads to define new ways to improve support for military families.

The report detailed key strategic priorities to be addressed, the first one being:

Enhance the well-being and psychological health of the military family.

As the Defense Department’s primary agency for applying innovative technology to issues of psychological health and traumatic brain injury, the National Center for Telehealth & Technology (T2) developed MilitaryKidsConnect.org to directly address that priority by providing empirically-based content developed by psychologists to improve child and family readiness.

**Support that speaks their language.**

MilitaryKidsConnect.org features customized content for three age groups: children, tweens, and teens. Users visit an age-appropriate homepage where they find interactive maps; a personal scrapbook application; age-appropriate games; videos of military kids describing how they cope with deployment; instructional vignettes; a virtual personal space where kids navigate using a customizable avatar; and a moderated social networking message board (parent approval required for registration).

Together, these features create a safe, secure, and comfortable place for young people to play, gather, share, and learn how to handle the pressures of being a military kid.

While MilitaryKidsConnect.org is a place for kids to connect online, we don’t kid around when it comes to online safety and privacy. MilitaryKidsConnect.org strictly adheres to COPPA, the Children’s Online Privacy Protection Act, regarding parental consent and the use and disclosure of personally identifiable information.

**Helping parents, caregivers, and teachers to help kids.**

MilitaryKidsConnect.org also provides content for parents and educators of military kids. Adults can find information about the site’s safeguards and parental controls, site content, and ways adults can use its content to encourage positive conversations about deployment. The parent section also includes information on common, age-specific behavioral responses to deployment, as well as methods of coping with them.
